# **Gender Equality In Indian**

India's journey towards gender equality in the workforce has seen incre-mental progress. Struc-tural and systemic barriers continue to hold women back from full economic and politi-

and participation.

As of 2264, the Female Labour Force Participation Rate in India stood at 40.3%, compared to 822% for mer. This gap opportunities, deeply rooted societal norms, and industry-specific gender patterns.

Despite legal frameworks are provided to the specific gender patterns.
